## CAREER SUMMARY

I am seeking employment as a middle level science teacher. I am an advocate for 21<sup>st</sup> century learners with my beliefs for instruction grounded in the Middle Level Philosophy. I have recently relocated to the Greensburg, Pennsylvania area from Lynchburg, Virginia. I am looking to find an instructional home where I can inspire young adolescents to be passionate about their education. My heart is grounded in the maker movement in teaching scientific concepts in a constructivist atmosphere as well as spreading the passion for all aspects of STEAM both in the classroom and out.

## KEY SKILLS

- Advocating for the young adolescent learners
- Instructing student learners in creative, innovative ways
- Creating and curating digital resources
- Initiating leadership roles through extra-curricular activities
- Facilitating and inspiring student learning and creativity
- Modeling digital age work and learning

## EDUCATION

Bachelor's of Science Degree  
earned in 2009 from Otterbein  
University in Westerville, Ohio  
In Middle Childhood Education  
Concentrations in Language Arts and Science

\*Currently holds Virginia licensure  
and have applied for Pennsylvania  
Licensure in April 2017.

## WORK EXPERIENCE

ITRT/PERSONALIZED LEARNING COACH | BEDFORD COUNTY  
PUBLIC SCHOOLS | Bedford, Virginia | 2015 – 2017

Creating trainings and supporting teachers by modeling the personalized learning initiative taking place throughout Bedford County at schools in rural Virginia.

- Co-teaching and co-planning with teachers in the buildings that I served throughout the subject-areas.
- Advocating for the use of Google Apps for Education usage throughout the schools I serve.
- Developing and implementing a wildly successful "Robotics and the Maker Movement" after school program through the 21<sup>st</sup> Century Grant.

TEACHER | CAMPBELL COUNTY SCHOOLS | Altavista,  
Virginia | 2014 – 2015

Taught Engineering, Drafting, Robotics and Digital Design

- Taught Engineering, Drafting, Robotics and Digital Design through the dual enrollment, elective courses at the 7<sup>th</sup>-12<sup>th</sup> grade levels.
- Coached the Altavista Robotics Team to their state competitions at VCU through the FIRST Robotics Competition.
- Mentored for the Robotics team's first-ever award for their work on their robot as the most-improved team from 2014-2015 at FIRST Robotics Competition.
- Nominated for the Region 2000's STEM Teacher of the Year in the Fall of 2015.

TEACHER | HARGRAVE MILITARY ACADEMY | Chatham,  
Virginia | 2009 – 2014

Taught Middle Level Science and Robotics

- Taught 7-9<sup>th</sup> grade life science in a thematic, private, boarding school environment for boys
- Coached the Varsity Boys' Soccer Team within my role as a teacher.
- Created the supplemental role of Social Media Coordinator within my existing position as a teacher and coach.
